THE STORY

Audible Treats was founded in 2004 by two grads of New York University's Music Business master's program and has executed over 400 campaigns for major labels, indie labels, celebrities, DVD releases, video games, music tech companies, and websites. AT provides print press, creative online marketing, digital strategy, and social media consulting services.

"Audible Treats have always given the many projects on our diverse roster the individual attention necessary to create successful marketing campaigns and opportunities"

- Tajai Massey, CEO Clear Label Media Group and Hieroglyphics Imperium

"Audible Treats isn't afraid to get their hands dirty and go the extra mile for their clients. Always quick to react and adapt."

- Jami Stigliano, Associate Director, Digital Marketing/Advertising, Jive Records
